

Embracing the Mystery

FR. THOMAS M. SANTA, CSSR

The Christian confession of a triune God cannot be explained, it can only be believed. It is not a cop-out to proclaim that this belief is rooted in mystery. Mystery is the essential language and experience of belief. We lose something when we try to explain a mystery instead of embracing it. It may make us uncomfortable; it may provoke more questions than answers. Regardless, it does not suggest the weakness of mystery but rather the beauty, the wonder, and the awe.

Embracing belief and living as a person of faith is a singular journey. You cannot believe for someone else, and that person, even one you dearly love, cannot believe for you. It is also important to understand that as singular as the journey of faith may be, it ultimately ends in community. Belief does not isolate a person, but rather invites a person to connect with others who also walk in faith.

The community/communion of the triune God—Father, Son, and Holy Spirit—is the perfect witness to the truth that mystery creates. One God, three divine persons. The Eucharist that we celebrate on this day proclaims the unity of our belief—to the Father, through the Son, by the power of the Holy Spirit. ●

Solemnity of the Body and Blood of Christ (Corpus Christi)

June 6-7, 2026

A Eucharistic Procession is an Opportunity to walk with the Blessed Sacrament through our community, bringing Jesus to everyone along the route. As Catholics, we believe in the Real Presence: that Jesus Christ is truly present -body, blood, soul, and divinity - In the Eucharist, under the appearances of bread and wine. As such, we are compelled to grow in our devotion to Jesus in the Eucharist and to share the Eucharist with the world.

At the conclusion of Mass on Saturday, June 6, there will be Benediction. During Benediction, the Eucharistic Procession will be formed led by Father Joseph carrying the Blessed Sacrament displayed in a monstrance and walking under a canopy. Altar Servers, Knights of Columbus carrying the canopy flanked by candle bearers, additional Altar Servers, Extraordinary Ministers of the Eucharist and the congregation will follow while singing/chanting together.

The procession will proceed through the side door, down the parking lot, down the driveway of the church – up the sidewalk on Monroe Street - the procession will enter through the front door of the church for the conclusion of Benediction.

This is a perfect opportunity to grow in your own devotion to the Blessed Sacrament and to share your faith publicly. If there is inclement weather, the procession will be inside the Church.

Dear Padre,

During Mass, is it proper for the faithful to raise our hands when pronouncing the words, “For the kingdom, the power, and the glory are yours now and forever”?

When the priest and people offer the Our Father together to God, the presider assumes an ancient posture of prayer, known as the *orans*—with arms extended and palms opened upward. After the

Lord’s Prayer, the priest keeps his hands extended and says alone the embolism (“Deliver us, Lord...”). At the end, he joins his hands, and the people acclaim, “For the kingdom....” This acclamation is meant to be the people’s response to the embolism, and the priest remains silent for it. It would appear unnecessary for the faithful to now extend their hands during this acclamation—especially when it’s a response to an embolism prayer that just called for the presider to have extended his own hands and now has them joined together.

Although the *General Instruction of the Roman Missal* doesn’t mention a specific congregational hand posture during this acclamation, it speaks in favor of “what serves the common spiritual good of the People of God, rather than private inclination or arbitrary choice,” stating that a common bodily posture “is a sign of the unity of the members of the Christian community gathered together for the sacred Liturgy: it both expresses and fosters the intention and spiritual attitude of the participants” (*GIRM* 42). ●

A WORD FROM POPE LEO XIV

To those in power, I repeat: listen to the voice of conscience! The apparent victories achieved with weapons, which sow death and destruction, are in reality defeats and never bring peace or security! God does not want war, he wants peace, and he strengthens those who are committed to leaving behind the spiral of hatred and taking the path of dialogue.
